Assistant Superintendent

Information: The Assistant Superintendent works with the Superintendent/General Manager and together they will direct all Golf Maintenance operations. Riverside is currently upgrading both the Clubhouse and Golf Course to better serve our members. There is ample opportunity both to improve on the successful candidate's position and to gain valuable experience in construction (golf) processes. Along with the superintendent, the assistant superintendent will direct and participate in the maintenance of; Greens, Tees, Fairways and Cartpaths. The A.S. will supervise our Maintenance Staff in all operations while also doing related work as required. The successful candidate must be able to calibrate Spreaders and Sprayers accurately with a good working knowledge of Sprayers. Must be willing to work 45-50 hour work weeks with alternating weekends. We are looking for a dedicated individual willing to put in the time and effort to move up within the Golf Industry.

The Assistant Superintendent will participate in hiring, training and development of all maintenance staff, making sure all OSHA, Club, State and Federal safety guidelines are adhered to. The Assistant may serve in the Superintendent's capacity during his absence.

Salary: DOE, very competitive with area job market.

Job Requirements: 1-2 yrs. verifiable experience in Golf Course Maintenance

Min. 2-yr. College Degree in Turf Management preferred

Pesticide Applicators License required or able to acquire within probationary period, (90) days.

Knowledge of Local, State and Federal Laws governing Chemical applications, Employee Rights, etc.

Absolute Team Player committed to building successful relationships with Members, Guests and Associates.

Bilingual (English & Spanish) preferred.

KOPPLIN KUEBLER & WALLACE

THE MOST TRUSTED NAME IN EXECUTIVE SEARCH AND CONSULTING

GOLF COURSE SUPERINTENDENT: GLEN VIEW CLUB
Golf, IL

GOLF COURSE SUPERINTENDENT AT GLEN VIEW CLUB

Glen View Club is looking for a Golf Course Superintendent with strong leadership skills, a passion for golf and golf course architecture and a history of providing superior golfing conditions.

GLEN VIEW CLUB

Glen View Club was founded in 1897 and is one of the preeminent private clubs in the Chicago area. The club has a deep tradition in golf, having hosted the first Western Open in 1899, the U.S. Amateur in 1902 and the U.S. Open in 1904. The initial golf course was designed by Richard Leslie, and in 1922 William Flynn completed a redesign of the golf course. Over the ensuing ninety years, Glen View Club's golf course, like most historic clubs, underwent a series of evolutions. In 2013, Jim Urbina was contracted as the Club's consulting golf course architect and most of Flynn's original design elements have been restored. Glen View Club will be hosting the 2021 Western Amateur, which reflects our long-standing relationship with the Western Golf Association and the Evans Scholars Foundation.

Glen View Club is a full service club of the highest caliber. In addition to golf, the club offers dining, swimming, tennis, paddle tennis, skeet and trap shooting, ice skating, cross country skiing and sledding. The club also provides limited on property accommodations for guests.

OVERVIEW OF GLEN VIEW CLUB GOLF COURSE OPERATIONS

- \$1.5M Budget
- 15,000 rounds of golf (more than 80% walking with 150 caddies)
- No tee times
- Pushup bentgrass greens
- Bent/Poa fairways and tees
- 6-7 outings per year
- Active tournament and event schedule
- Future projects, including irrigation system and reservoir likely in next few years
- Onsite housing for staff, 4 rooms adjacent to the maintenance compound

Glen View Club Website: www.glenviewclub.com

JOB DESCRIPTION

The Golf Course Superintendent (GCS) reports directly to the General Manager and liaises with the Grounds and Greens Committee Chairman. The GCS is expected to provide quality leadership and will lead and manage his/her department to ensure superb golf course conditioning with a long-term objective of firm and fast playing conditions. The GCS is responsible for all day-to-day operations of the Glen View Club golf course and in the off season, the skating pond/rink, the skeet shooting area, cross country ski trails, and snow plowing.

Continuing education and staying at the forefront of research and technology are necessary for success. In addition, the GCS will provide innovative and relevant leadership and in perpetuating and fostering an educational culture of developing and producing future turf professionals. The GCS must have a natural style of "sincere engagement" with members and staff along with a love of the game of golf and a relentless attention to detail.

INITIAL AREAS OF FOCUS:

- Evaluate turf and soil conditions and current maintenance practices and develop long-term recommendations to improve the golf course experience for members and guests
- Provide exceptional putting surfaces on a daily basis
- Develop standard operating and course conditioning procedures
- Develop team training and evaluation systems
- Create a Turfgrass Management intern program

CANDIDATE QUALIFICATIONS

The ideal candidate will be a Golf Course Superintendent or the First Assistant at a classic, historic club with a minimum of five years' experience.

- A demonstrated history of providing exceptional golfing conditions on a daily basis
- Successful experience with pushup greens
- Subscribes to sustainable maintenance practices (e.g. firm and fast, sound irrigation philosophy)
- Experience growing cool season grasses in similar or more challenging climate
- High energy, focused leader
- Strong observational skills, detail oriented
- Highly organized
- Strong agronomic skills-stays current with advances in turf technology and equipment
- Strong relationship builder with a history of excellent relations with their Golf Professional and General Manager
- Excellent communication skills with both club members and team members
- Golfer/student of the game with a sound understanding of ideal playing conditions
- High Golf IQ is essential
- Understanding and appreciation of classic golf courses
- Experience working with golf course designers
- Proven experience managing golf course construction projects including greens and irrigation systems
- Capital Project experience, especially irrigation and re-grassing/green rebuilding
- Experience mentoring team members
- Strong budget management and forecasting skills
- Experience developing capital equipment replacement plans
- Spanish language skills are preferred

EDUCATIONAL AND CERTIFICATION QUALIFICATIONS

A degree in turf management or related field of study is required. GCSAA Certification is preferred.

SALARY & BENEFITS

Salary will be commensurate with qualifications and experience. The club, along with the typical GCSAA benefits, offers an excellent performance bonus and benefit package.

ODESSA COUNTRY CLUB, Est. 1939

Job Posting for Golf Course Superintendents

Superintendent – Links Course
Odessa Country Club, Est. 1939
Odessa, TX

Ad Date: 8/27/2016

The Odessa Country Club in Odessa, Texas has two championship golf courses, the **Old Course** – the original Odessa Country Club, established in 1939 and the **Links Course** – formally Mission Dorado, host of several Nike PGA Tour events. The Odessa Country Club is a private, member owned facility with a new clubhouse and a championship-class practice facility with 4 sets of practice tees designed from 4 different directions to maximize teeing locations and differing wind conditions. The practice facility also has a 13,000 square foot putting green and 4 separate putting/chipping greens.

The Links Course (formally Mission Dorado) is a modern championship golf course designed by Dick Nugent and recently re-designed by Gary Stephenson has hosted several PGA Mini-Tour events along with the 2010 TGA Senior Championship. In addition, the Links Course will host the 2011 NJCAA National Championship. The Links Course has newly renovated 007 Bentgrass greens and the golf course was recently renovated to improve long-range sustainability through the addition of over 75 acres of Native Turf Areas, many new Waste Areas and Xeriscape Areas.

This position opening offers qualifying candidates an excellent opportunity to develop golf course management skills while dealing with many agronomic challenges, such as: managing championship quality 007 bentgrass greens, high quality Tif-way Bermudagrass fairways and tees under extreme environmental conditions. Numerous superintendents and consulting agronomists have said "If you can grow championship quality bentgrass greens and Bermudagrass tees and fairways in these conditions, you can grow it anywhere". This is accomplished at the Odessa Country Club under the direction of lead agronomist Mr. Greg Hinton. Mr. Hinton has developed many successful superintendents and has worked with many of the world's top golf course architects, such as, Gary Stephenson, Pete Dye, Tom Kite, and Jack Nicklaus.

Educational Requirements:

2 year or 4 year degree minimum with Turfgrass emphasis

Experience:

Working knowledge of golf course maintenance

Special Skills:

Valid Texas Drivers License
Pesticide Applicators License

Annual Salary:

75,000+ depending on experience.

Benefits:

Health Insurance available, annual vacation, various bonuses, 401 (K), golfing privileges

Duties:

Supervise Employees, Employee Training, Special Projects Coordination, Fertilizer and Pesticide Applications, etc.

Resume/Contact Information To:

Greg Hinton, Director of Golf Course Maintenance
#1 Fairway Dr., Odessa, TX 79765
432/254-0999 and ghinton@odessacc.com

**2nd Assistant Superintendent**

Golf Club of Houston is a 36 hole facility consisting of a private member course and a public course that hosts the PGA Tour's Shell Houston Open annually the week prior to the Masters. The course is known for producing "Masters Conditions" to give players a warm up for Augusta. We have 300 acres of maintained turf with tifsport on all tees, fwys, rough; miniverde and tifeagle on greens. Position reports directly to the Assistant and/or Superintendent. Excellent opportunity for someone to learn and grow in a fast paced environment with exposure to many aspects of agronomy.

2 or 4 year degree preferred
Ability to calibrate and apply chemicals and fertilizers
Basic understanding of agronomic practices
At least 1+ years of hands on golf course experience
Helps supervise up to 30+ employees, covering the entire property on a daily basis
Helps report golf course conditions to the superintendent or assistant superintendent
Assists in daily schedules and long term agronomic planning
Previous experience with Toro SitePro
Passion for the industry with a desire to learn and advance
Positive, team first attitude

Salary position, DOE
